

Agarwal Technoplast

The Packaging Technologist...

(An ISO 9001:2008 Certified Company)

Stretch Film

Air Bubble Roll

Mulch Film

Perforated Poly Film (PPF)

Air Bubble Bag

Sanitary Napkin / Diaper
Back Sheet

Reflective-Foil Insulation

Our Product Range:

1. PPF FILM (PERFORATED POLY FILM) :

- * Width up to 1700 mm (can be customized as per requirement).
- * Can be in Different design.

Applications :

1. SANITARY NAPKINS / FEMINENE HYGIENE PADS

- * Combination of polymer to give better strength and elongation
- * Available in different colour as required.
- * Thickness as required (20 Micron to 100 Micron)

2. PE FILM ROLLS (Back Sheet)

- * Width up to 1600 mm (can be customized as per requirement)
- * We have an ultra - modern machine, Product made in 3 layers
- * Combination of polymer to give better strength and elongation
- * Available in different colour as required.
- * Thickness as required (20 Micron to 100 Micron)

Markets :

1. Sanitary Napkins
2. Baby Diaper
3. Under Pad
4. Hygiene Products

3. AIR BUBBLE SHEET ROLL

- * Width up to 2050 mm (can be customized as per requirement)
- * Available in 2 to 7 layers
- * Introduced 3 layers Air Bubble that give 4 times more protection as compared to 2 layers Air Bubble.
- * Available with P.E. Foam / Aluminium Foil / Paper / HDPE laminated With Antistatic / VCI / Food Grade as required
- * Available From 30 GSM to 800 GSM as required.

4. STRETCH FILM ROLLS

- * Width up to 1600 mm (can be customized as per requirement).
- * We have an ultra - Modern Machine, Product made in 3/5 layers.
- * Combination of polymer to give better strength and Elongation.
- * Available in different colour as required. Manual and Machine grade available
- * Thickness as required (9 Micron to 100 Microns)

***Also PRE-STRETCH FILM Available**

5. AIR BUBBLE POUCH :

- * Sizes can be customized as per requirement).
- * Available in 2 to 5 layers
- * Available with P.E Foam / Aluminium Foil / Paper / HDPE Laminated.
- * Available from 30 GSM to 800 GSM as required. / Required Colour / Required dimension.

6. THERMAL REFLECTIVE ALUMINUM LAMINATED AIR BUBBLE SHEET ROLL

- * Width up to 1500 mm (can be customized as per requirement)
- * Can be of Single or Double Bubble.
- * Different Sizes of Bubble Available

Applications :

1. Post Frame Building / Industries / Sheds / Halls
2. Poultry Farms.
3. Animal Kennels
4. Temperature sensitive Storage area.

Can be one side or both side Aluminum Foil laminated

7) MULCH FILM

- * Width up to 1600 mm (can be customized as per requirement).
- * We have an ultra - modern machine, Product made with 3 layers
- * Combination of polymer to give better strength and elongation.
- * Available in different colour as required.
- * Thickness as required (20 Micron to 100 Micron)

Applications :

1. Agriculture fields
2. Strawberry / Tomato / Grape / Vegetable Plantations.

PERFORATED FILM

>>New "3 Ds Stereoscopic" PPF Film New style gives the best result . It is anti- wrinkle skin dry Feel.

DEVELOPMENT STRATEGY

Progress with Science and Technology, Especially for development of Protective Packaging & for Development of Hygiene Products Material.

The Health Quality System

Good Business Relations.
Ensure Stable Product Quality.
Timely Delivery.

About Us.

Agarwal Technoplast a Part of the Prestigious "**agarwalpune**" Group. Established in 1974, is present in many fields. Such as Industrial Packaging, Steel Containers, Wind Power, Solar Power, Financial Markets, Retail Business, Protective Packaging & Hygiene Films.

Agarwal Technoplast is one of the leading manufacturer in India of Industrial Packaging Materials. Such as Air Bubble Film Rolls / Pouches, Stretch Film Rolls, Mulch Film Rolls, Reflective Foil Insulation, PE Film, PPF Film and all Hygiene Film Materials.

Our plant situated in Chakan (Pune) INDIA is equipped with the latest Technology in Packaging with State of Art Machinery and Qualified Staff that has training from the Indian Institute of Packaging and over 26 years of experience in this field. With our own Fleet of transport for timely delivery.
